Handcrafted to perfect tip symmetry and balance, polished edges, superior no-scratch/antiglare satin finish.

The right tweezers and material for a successful application.

All High Precision Tweezers are available in different materials: Anti-Magnetic Anti-Acid Stainless Steel (SA), Inox Steel (S), Super Alloy (NC), Titanium (TA), Brass (BR) and also available with special coatings: Epoxy (EP: handles only); ESD Epoxy (NE: handles only), Teflon (TE: full body).
